See A Special Display of Newspaper Articles from the Prohibition Era

The public is invited to visit the Brown County Historical Society Museum at 2 North Broadway Street in New Ulm during Oktoberfest, October 5 & 12th. Admission will be free.

For the two weekends, the Prohibition exhibit, *Wet Stills and Dry Agents: Brown County and the Prohibition Years*, will feature some new additions - articles, advertisements, and pictures taken from local Prohibition Era newspapers. The exhibit highlights Brown County's experiences during Prohibition. It discusses the attitudes of people in Brown County toward Prohibition, the effects it had on Brown County's three operating breweries, and the ways in which people ignored or bypassed the 18th Amendment. In addition, visitors will learn how Prohibition was passed in a country that made, brewed, and distilled hundreds of millions of gallons of wine, beer, and liquor.

Visitors can tour the entire museum to view all of the exhibits including the Gag family art exhibit and the award-winning exhibit on the U. S. Dakota War. Also the vintage Popcorn Wagon will be open for business from 10:00 am to 5:00 pm.

Be Fit. Be Fabulous.

August/September Member of the Month Springfield Anytime Fitness

Anytime Fitness of Springfield's Member of the Month for August/September 2019 is Vonda Carnell.

Vonda was chosen by the staff for her dedication and ambition to maintain a healthy lifestyle. She has a positive attitude, always has a smile on her face, a great personality and we are very proud of her commitment.

Vonda was born September 4, 1965. She is a graduate of Comfrey Public School. She and husband Brad were married in 1987 and have two daughters, Laura and Molly.

Vonda is employed by Sanborn Manufacturing of Springfield in their Human Resource Department. Her hobbies include softball, 4H and being outside.

She has been a member of Anytime Fitness in Springfield for just over a year, joining the club in June of 2018. We asked her why she joined, and she said, "I wanted to maintain/improve my strength plus my work offers reimbursement for going too." A great incentive for members like Vonda.

She said she likes Anytime Fitness of Springfield because it's open when she wants to go... anytime! Her favorite machine is the Adaptive Motion Trainer. Vonda's advice for

other members is: "Stick to a routine—go "X" number of times per week and keep that commitment to yourself." Her exercise tip is: "Don't overdo it! Do arms one day and legs the next day. It doesn't have to be a long workout."

When Vonda started her membership at Anytime Fitness of Springfield, her goal was to stay fit so she didn't lose muscle tone. She said, "I've maintained, and improved the

amount of time spent on the machines and weight equipment."

Congratulations Vonda!

The staff at Anytime Fitness of Springfield is proud of you!

We welcome anyone interested to come in and give the club a try with a free 7-day pass!

We have great equipment, showers with free towel service, Anytime Health App, tanning bed, water massage table, free classes, Silver&Fit and SilverSneakers certified gym, personal training and nutrition guidance, plus many insurance reimbursements and employee wellness programs for businesses!
