We now have some new seating outside!!

♥This bench is in memory of Jason's Grandpa Leo.♥

Leo came up to the shop every day to sit, relax, watch cars go by, keep an eye on everyone at the shop too. He had his typical ①, ②, maybe even ③ cups of ☕ while supervising the crew 😊. You could even catch him taking a little cat nap.

He will forever have a spot here at the shop!

UNITED WAY AND BANK MIDWEST-BACK TO SCHOOL SAFE SCHOOL SUPPLY DRIVE A SUCCESS:

The United Way of the Brown County Area has been collecting school supplies for low income families for the past 18 years. The United Way knows the importance of this program in our communities to ensure every child in Brown County has the tools they need to go back to school ready to learn.

Over the past two years, Bank Midwest has signed on to be our Stuff the Backpacks Program Partner to help fully fund this program and help us to advertise the program in Brown County. As a program Partner, they have taken ownership of the program, which includes helping to cover the cost of all the extra supplies needed, volunteering to pack and drop off backpacks to Brown County schools, as well as be an advocate for this important community initiative.

Both United Way and Bank Midwest knew this year would be tough, due to the COVID Crisis that has changed everyone's lives. "Bank Midwest really wanted to focus on helping to combat the COVID-19 issues facing our communities, and the Back to School Safe COVID Kits for students did just that."-Shannon Hillesheim-Market President, Bank Midwest

So, to help parents, schools, and students with this new challenge, the United Way decided to offer each child a Back to School Safe COVID kit. These kits included: disinfecting wipes, disposable masks, a USB memory stick and clear water bottle from BIC Graphics in Sleepy Eye, and hand sanitizing wipes. These kits, along with over 300 backpacks filled with school supplies were put together by volunteers working in small, 10 volunteers or fewer, shifts at the New Ulm Event Center. In years past the United Way has allowed parents and students to pick out their own backpack and school supplies, with COVID, that had to change. Backpacks were distributed via a drive through pickup area in the parking lot, with all volunteers and families required to wear masks. "One of the benefits of this program is allowing the kids to take ownership and pick out their own backpack and school supplies but that was just not feasible or safe for this year. We were so lucky to be able to use the New Ulm Event Center space so we could have volunteers do the packing and allow families to drive up to get their school supplies and COVID Kits." -Lori Pickell-Stangel, United Way Executive Director

The United Way would like to thank everyone who donated to this year's Stuff the Backpacks school supply drive, the New Ulm Event Center for use of the space, all our dedicated volunteers, and most importantly Bank Midwest for being our Program Partner, we couldn't have done it without you!

The Springfield Area Food Shelf has had to go thru some recent changes of operation because of the recent pandemic /COVID 19. We must follow rules through Second Harvest/Minnesota Department of Health/Governor orders.

Clients are able to get groceries thru the food shelf, but at this time we put the order together and clients pick it up at street side at the end of the side walk. Clients must call in to place orders. If you come on Tuesday nights you can start to call in at 9am Tuesday throughout the day. If you come Thursday morning than you must call in starting at 9am Wednesday throughout the day. The volunteer who takes the order will go through the food shelf while you are on the phone so you get what you request. We make every attempt to have the same products that we had before the COVID 19 started. The number to call to place your order is 507-227-7387. If number is busy leave a message and someone will call you back to get order. No clients are allowed in the food shelf and must stay outside the building at this time.

We have also had a decrease number in volunteers working at the food shelf due to the COVID 19. We have several volunteers that have some pre-existing health concerns so we do not want anyone to get sick so these individuals have chosen to not work at this time.

The Food shelf mission statement is to provide food to the needy. We also provide emergency food services to anyone who may need it. I want to encourage individuals and families who currently have been laid off or lost their jobs to know that you are very welcome to come to the food shelf for groceries during this difficult time. People who get sick and can't work or afford groceries should also consider coming. Privacy is respected and confidential!

Service Days are Tuesdays-5pm-7pm and Thursdays 9:30am-11:30am. Food Shelf is located at 804 East Rock Street (Schwanke Building) Springfield.

Call Shari Koll at 507-227-0386 /507-723-6120 or Jan Schwanke at 507-227-7387 should you have any questions.

Intergenerational Care

Located in St. John Lutheran Home, we are the only state-licensed intergenerational day care center in Brown County. The program has been **recognized nationally** as a leader in this specialized type of care.

Research shows

Children enrolled in intergenerational programs have **advanced social skills** compared to children in traditional day care. They learn to be **comfortable around older adults** and people of varying abilities.

Elders involved in intergenerational activities report **feeling happy, loved, younger and needed.**

A typical day

Each day children in our care interact with the residents of St. John's Circle of Care. Routine activities include reading, singing, creating crafts, and eating together. Special events like indoor beach parties and the annual Christmas program bring extra **joy** to residents and children alike.

Our classrooms

Children at GrandKids, 4 to K and V.I.K. Club receive age-appropriate care in one of five classrooms. The classrooms have recently been updated, enlarged, decorated and are full of fun and educational toys and games which enrich the children's lives.

U. S. Dakota War Commemoration Program Tours on BCHS Website

For the safety of the Brown County Historical Society staff, volunteers and visitors and to support the effort to contain COVID-19, the Brown County Museum and Kiesling House continue to be closed. During this time, the BCHS is exploring creative ways to provide program opportunities and is offering two programs on its website.

Two popular tours will be offered on the BCHS website as part of the U. S. Dakota War Commemoration Programming. The guided tour of the Pioneer Section of the City Cemetery and the walking tour of downtown New Ulm Dakota War sites provide insight into events related to the Dakota War. The speaker series program is cancelled this year.

The public can view both of the tours on the BCHS website at browncountyhistorymn.org. The tours will be available on the site for viewing from Saturday, August 22 to Sunday September 20.

For more information, call 507-233-2620.
