City of Springfield Snow Removal Information

Springfield residents expect high-quality snow plowing that clears streets so that emergency vehicles and drivers like you can travel safely and park easily.

Snow removal is based on priorities and crews address the next task as able once prior tasks are complete. Please refrain from parking on Emergency Snow Routes until cleared curb to curb. This will be completed by 7am unless snowing continues.

Priority 1 = Emergency Snow Routes

Priority 2 = Schools & Business Districts

Priority 3 = Residential Streets

Priority 4 = Alleys (Subject to Roadway Conditions)

It is a misdemeanor for any person to remove snow from a residential driveway or boulevard sidewalk and place it on a public street. Boulevard sidewalks must be cleared within 24 hours after an accumulating snowfall event.

Vehicles must also be moved within 24 hours of a the accumulating snowfall event so that crews are able to finish clearing areas where previously parked.

Contact City Hall at 507-723-3500 with any snow removal questions.

Brown County Historical Society Exhibit Opening: Batter Up! Baseball in Brown County

The Brown County Historical Society presents a digital exhibit, *Batter Up! Baseball in Brown County*. Due to the continuing COVID-19 pandemic, the Brown County Museum remains closed to the public. In order to continue displaying Brown County's history, the BCHS has designed a digital exhibit on its website.

In celebration of 150 years of recorded baseball in Brown County, the BCHS presents *Batter Up! Baseball in Brown County*. *Batter Up!* is a history of the hold baseball has had on the people of Brown County since 1871, when the first known game of baseball was played within the county. Brown County's love for baseball was well established by 1900, and its passion grew until the 1950s when amateur baseball in Minnesota peaked. After 1960, Minnesota found new interest in the Minnesota Twins, but in Brown County, the amateur baseball tradition has continued since that first game in 1871.

The exhibit covers a broad base of subjects like: The Origin of Baseball, Baseball Becomes America's Pastime, Brown County and the Major Leagues and Base Ball: A Game for All. Sub-categories under A Game for All include: Women's Baseball in Minnesota, Native American's in Baseball and Youth Baseball.

The exhibit may be viewed on the BCHS website, browncountyhistorymn.org. The digital exhibit includes images from the BCHS archives and artifact collection, a summary of baseball history and short bios of specific Brown County athletes.

For more information on the exhibit, please contact the BCHS at 507-233-2620.

Intergenerational Care

Located in St. John Lutheran Home, we are the only state-licensed intergenerational day care center in Brown County. The program has been **recognized nationally** as a leader in this specialized type of care.

Research shows

Children enrolled in intergenerational programs have advanced social skills compared to children in traditional day care. They learn to be comfortable around older adults and people of varying abilities.

Elders involved in intergenerational activities report feeling happy, loved, younger and needed.

A typical day

Each day children in our care interact with the residents of St. John's Circle of Care. Routine activities include reading, singing, creating crafts, and eating together. Special events like indoor beach parties and the annual Christmas program bring extra joy to residents and children alike.

Our classrooms

Children at GrandKids, 4 to K and V.I.K. Club receive ageappropriate care in one of five classrooms. The classrooms have recently been updated, enlarged, decorated and are full of fun and educational toys and games which enrich the children's lives.

SouthPoint Financial Credit Union Release NetGiver to Members for 100% Impact

(Sleepy Eye, MN – October 19, 2020) – SouthPoint Financial Credit Union has a long-standing commitment to supporting the community and giving back to nonprofits. The latest addition to this commitment is NetGiver, a recently launched mobile giving app entirely focused on 100% fee-free donations. With online donation platforms growing in popularity, nonprofit organizations that employ these platforms incur platform and/or processing fees that can significantly reduce the amount the nonprofit receives each year – a total which can exceed 7% of the \$149 billion dollars given each year by individuals via credit or debit card.

SouthPoint members are now able to ensure that their complete donation reaches the desired nonprofit, with no fees to either the donor or the recipient. Through NetGiver, donations to nonprofits can have 100% impact Brad Haynes, SouthPoint Sales Manager, believes that "giving is not just about the money you provided it's about the difference you make in someone's life. As we give, we ensure that others who may not have had the opportunities or support in life that many of us do, can utilize those moments to better themselves and those around them."

Credit union leadership allows us to make a significant impact in the nonprofit giving space. We're excited to have the credit union community behind NetGiver," said Miriam Ackerman, co-founder of NetGiver. "This community is strengthened by its leaders. Leaders who take this commitment seriously, and with NetGiver they're making a significant impact," stated Ackerman.

"We're extremely proud to offer NetGiver to our members and know that we can make a difference with 100% donations to our community," said Haynes. NetGiver is available to members in both app stores and works seamlessly with a member's SouthPoint Financial Credit Union account. "Many charities depend on every cent and because of our partnership with NetGiver we can ensure the communities that we serve and the charities in our 19 county footprint can receive every cent of those funds to continue their philanthropic missions."

SouthPoint Financial Credit Union is a not-for-profit financial cooperative that distributes profits among members in the form of lower loan rates, fewer and lower fees and higher savings rates. Membership is open to all residents and businesses in a 19-county area of southern Minnesota. For additional information visit southpointfinancial.com, southpointhomemortgage, or call 877-794-6712.

About NetGiver: NetGiver is provided to members by their credit union as a secure and easy-to-use mobile app, where individuals make safe, secure, direct and fee-free donations to the charities they choose. NetGiver is a unique member acquisition and retention tool which delivers a branded credit union, feel-good experience to its users. Imagine the difference 7% can make. NetGiver is a Minneapolis based Credit Union Service Organization (CUSO), founded in 2019. For more information, visit netgiverapp.com.

Springfield Area Food Shelf

Holiday Boxes Needs your help!

The Springfield Area Food Shelf will be providing Holiday Meal boxes again this year. The boxes contain ingredients for one holiday meal, given out both at Thanksgiving and Christmas.

The food shelf is looking for donations of the following items:

- Stuffing
- Canned gravy
- Any flavored jello
- Cool whip
- Cans of green beans
- Cream of Mushroom soup
- Cans of French fried onions
- Frozen pies

50 total of each item will be needed. 25 of each will be needed by October 26th for the Thanksgiving boxes. 25 of each will be needed by November 23rd for the Christmas boxes.

If you or your organization can help, please drop off any items you are willing to donate at Schwanke Engine building between 9-5 (M-F) or at the food shelf drop box at Springfield Market. For further information please contact Dawn Buddensiek at 507-220-0733.

Thank you!

FOOD SHELF UPDATE:

The Springfield Area Food Shelf would like to keep you updated on current procedures that are happening during this COVID-19 Pandemic. Food Shelf numbers have dropped this year since COVID began in March, 2020. We want to reassure all people that we are taking every precaution necessary to provide a safe delivery of food and products during this time. Second Harvest and the CDC are providing us with direction to make volunteers and clients safe.

The food shelf hours are Tuesday 5-7 pm and Thursdays 9:30-11:30. Clients are to call in during the day on Tuesday with your name, number, and number of people in your household. Call cell phone number Jan Schwanke(507-227-7387) with this information. For Thursdays you are to call in on Wednesday during the day. Volunteers than come to the food shelf and will call you to take your order and set it together while going thru the food shelf to tell you what is available and get your order completed. It is very important that you are in the parking lot when you do this so you are available to get the order loaded into your vehicle CURBSIDE PICK-UP.

If you prefer not to do your grocery order based on what is available then volunteers can put a box or bags together, of the basic food groups. If you only need certain things such as meat, produce and dairy that can be done also. You need to communicate your order to the person on the phone. Take just what you want and need. HOLIDAY BOXES WILL BE AVAILABLE IN NOVEMBER AND DECEMBER.

If transportation is difficult for you to come and get food then let us know that and we may be able to help you find someone. Call Jan Schwanke at above number.

Even though you may be getting extra funding at this time, we encourage you to still come to the food shelf and get what you need. We still have to place orders and we receive commodities such as milk, meat, ETC. If we do not get something that we have normally provided we will go to the local market and purchase products. Families of children going to school and who participate in the meal service twice a day, will qualify to come to the local food shelf and get what they need. Only information required is name, number in household, and phone number to reach you. We do not ask any financial information ever. No Forms are being signed by clients at this time due to COVID-19 pandemic.

Back-pack program is available and if you are unable to get your bag of food at your school, stop at the food shelf to pick up your food. Comfrey schools are participating at this time. Please contact Jan Schwanke with any further questions.

VOLUNTEERS NEEDED on delivery day which is the 2nd and 4th Tuesday in the morning. Jan Schwanke will usually send a text out to volunteers when delivery truck is getting close by Springfield. Call Jan Schwanke at above number.

Volunteers are also needed for service days. Shifts are approximately 2-2 ½ hours on Tuesday night or Thursday mornings. Call Jan Schwanke at above number.

The Springfield Area Food Shelf mailing address has changed to PO box 15, Springfield, MN 56087.

SMIF announces new Rural Entrepreneurial Venture communities

FOR IMMEDIATE RELEASE

OWATONNA, Minn., October 30, 2020 – Southern Minnesota Initiative Foundation (SMIF) recently accepted four communities to its Rural Entrepreneurial Venture (REV) program. Each of these communities will participate in the program, which supports long-term economic growth in towns of 5,000 or less in SMIF's 20-county region, for a period of three years from 2021 – 2023.

The REV model is based on the e2 Entrepreneurial Ecosystems framework from NetWork Kansas, which provides guidance to communities for accelerating entrepreneurial activity. The framework has been utilized by communities across the country and provides a roadmap for sustainable entrepreneur-focused development. The inaugural REV cohort, which participated from 2018 -2020, supported the communities of Blue Earth, Lake City, Le Sueur, Spring Grove and a collaborative effort between Lanesboro and Spring Valley. A variety of approaches to economic growth have been implemented in these communities, including business succession programs and youth retention initiatives.

After a competitive application process, the following communities were selected for the 2021 – 2023 REV cohort:

- Montgomery (Le Sueur County)
- Springfield (Brown County)
- Wells (Faribault County)
- Mapleton, in collaboration with the additional Maple River School District communities of Amboy, Good Thunder and Minnesota Lake (Blue Earth/Faribault Counties).

Each group will develop a core leadership team made up of a variety of community stakeholders. The teams will meet regularly with coaches from SMIF, Region Nine Development Commission and University of Minnesota Extension. A variety of exercises and tools will be provided to the teams, including a mapping exercise to document the impacts of the program over time and a database for conducting an inventory of the existing entrepreneurs in each town.

"We are excited to work with these communities over the next three years as they explore different approaches to supporting entrepreneurs and economic growth through this program," said Pam Bishop, Vice President of Economic Development at SMIF. "We know from our experience with the first cohort that the REV program will have a lasting impact on how these small towns approach economic development."

For more information about the REV program, contact Pam Bishop at pamb@smifoundation.org or 507-214-7013. Read more about the long-lasting impact REV has made on small towns in the region in SMIF's 2020 Impact Report.
