SPRINGFIELD AREA FOOD SHELF UPDATE

The food shelf has some exciting news to share with the community and surrounding area. We will be moving from the current location to the hospital site in the basement. Tim Schwanke's business is growing and there would come a time in the next year or so we would have needed to find a new location in Springfield. The location is perfect at the new site.

The board decided at this time to make the move as we needed to get telephone and computer services set up. We plan on moving, the first week in March. The food shelf phone number is 507-723-3663. There is also a computer program called "Pantry Saver" that we have decided to purchase for food shelves that will help us with required paper work that goes in to TFAP and Second Harvest.

Jan Schwanke, our food shelf manager and volunteer coordinator, has become very ill and will be unable to do her job for a period of time. Please keep Jan in your prayers and we hope she has a full recovery and can return to doing what she loves to do with the food shelf. Check out her caring bridge site for updates.

At this time, we do not want to cancel service days or truck delivery days as it is needed in the community and surrounding area.

Help will be needed for moving inventory. If you would like to offer to help move the refrigerators and freezers call me and I will put you in contact with the individual doing this. Helpers are needed to pack up product to move to new location. We will be putting some lists up in the local paper and on social media. We will be contacting the school, for kids that need service hours. Leave a message on the food shelf phone or contact Shari Koll at 507-227-0386. Workers must wear mask when volunteering.

Different board members/volunteers have picked up some of the duties that Jan did regularly. Temporary manager- Shari Koll; volunteer-schedule, Becky Pautzke; ordering /TFAP, Deb Rasset; computer records, Kelly Pierson.

Open House will be scheduled for the community and surrounding area once we are in and settled. Hopefully COVID is done or controlled.

To use the food shelf, please remember to call the new phone number (507-723-3663). Leave your name and number and we will return the call to let you know you are on the list for that day. For Tuesday night call in during the day from 8-4pm. For Thursday morning pick up call in on Wednesday during the day from 8-4pm We will call you back and take you around the food shelf and tell you what product we have for you. Groceries are delivered curbside.

Intergenerational Care

Located in St. John Lutheran Home, we are the only
state-licensed intergenerational day care center in
Brown County. The program has been **recognized**
nationally as a leader in this specialized type of care.

Research shows

Children enrolled in intergenerational
programs have **advanced social skills**
compared to children in traditional day
care. They learn to be **comfortable**
around older adults and people of
varying abilities.

Elders involved in intergenerational activities
report **feeling happy, loved, younger**
and needed.

A typical day

Each day children in our care interact
with the residents of St. John's Circle
of Care. Routine activities include
reading, singing, creating crafts, and
eating together. Special events like
indoor beach parties and the annual
Christmas program bring extra **joy** to
residents and children alike.

Our classrooms

Children at GrandKids, 4 to K
and V.I.K. Club receive age-
appropriate care in one of five
classrooms. The classrooms
have recently been updated,
enlarged, decorated and are
full of fun and educational
toys and games which enrich
the children's lives.
