Advisory

Safety during construction

Message Expired

Springfield Residents:

This is a friendly reminder that with the construction on Central Street there is more traffic on our side streets. We ask that no traffic use any alleys to bypass the construction and that all traffic on the side streets be on alert for extra pedestrians, bikers, workers and children at all the crossings around town. We ask that everyone make sure that SAFETY is the #1 Priority while the Central Street Project is going on.

Thank you and have a wonderful summer!

Intergenerational Care

Located in St. John Lutheran Home, we are the only state-licensed intergenerational day care center in Brown County. The program has been **recognized nationally** as a leader in this specialized type of care.

Research shows

Children enrolled in intergenerational programs have **advanced social skills** compared to children in traditional day care. They learn to be **comfortable around older adults** and people of varying abilities.

Elders involved in intergenerational activities report **feeling happy, loved, younger and needed**.

A typical day

Each day children in our care interact with the residents of St. John's Circle of Care. Routine activities include reading, singing, creating crafts, and eating together. Special events like indoor beach parties and the annual Christmas program bring extra **joy** to residents and children alike.

Our classrooms

Children at GrandKids, 4 to K and V.I.K. Club receive age-appropriate care in one of five classrooms. The classrooms have recently been updated, enlarged, decorated and are full of fun and educational toys and games which enrich the children's lives.
