Many residents and businesses here within our communities have been affected by Cybercrime. Now is the time to learn how to protect yourself and your business from Cybercrime. It is not a matter of IF you will be targeted, but a matter of WHEN! Join the Springfield Area Chamber Business Over Lunch to become educated on Cybercrime BEFORE you become a victim.

Why: The following businesses will be presenting the nature of their business, their target market and what items or services they offer.

Our intention is to help drive more business and possible referrals to our Chamber members through a greater understanding of what our businesses offer.
