# Medicare Wellness Visits

## What are Medicare preventive services?

Medicare preventive services are special services for Medicare patients, included in your Medicare Part B insurance benefits. Prevention is an important part of staying healthy, so take advantage of these valuable opportunities to talk with your health care provider about your wellness, once every 12 months.

- ✓ **Welcome to Medicare visit**  
*one-time service, within your first 12 months of Medicare Part B coverage*
- ✓ **First annual wellness visit**  
*one-time service, at least 11 full months after your Welcome to Medicare visit, if this was done*
- ✓ **Annual wellness visit**  
*ongoing annual visits, at least 11 full months after your last wellness exam*

## During your Welcome to Medicare and wellness visits, your provider may discuss the following:

- complete medical and family health history
- current medications and supplements
- height, weight, blood pressure and pulse
- immunizations
- screening for certain common conditions
- personalized screening plan for other conditions
- safety and accident prevention.

*\*Please bring all your medications to your appointment.*

Your provider will perform an exam specific to your health care needs. Please be aware that these visits do not include an annual physical exam or treatment for other medical conditions.

***For more information or to schedule a visit with your health care provider, please contact the Allina Health Springfield Clinic at (507) 723-6501***

## Important information about your Welcome and wellness visits:

- Additional time should be scheduled if you plan to discuss new or existing health concerns. This can usually be done during the same appointment.
- Any additional medical services provided during your appointment will be billed separately to Medicare. Coinsurance and/or deductibles may apply to these additional charges.
- Your Medicare benefits do not include annual physical exams; however, Medicare does provide coverage for a breast/pelvic exam every other year.

THANK YOU AND FAREWELL. The St. Johns Kitchen Table Ministry extends a sincere thank-you to all who have supported and attended our meal ministry. We are so grateful for the participation and donations. Our attendance numbers have remained between 25-30 when confirmation is not in session and so, after several months of prayer, deliberation, and discussion with others, we have come to the difficult decision that the Meal Ministry will be discontinued. Our heartfelt thanks goes out to those few who have stepped forward to assist with meal prep, provided desserts and assisted serving over the past 2 years. Despite weekly and monthly announcements, sign-up sheets etc. it has become apparent that there are just not enough consistent and committed volunteers to keep the ministry going. We hope that the all who attended and participated have been enriched and fed by God through this ministry and, again, we thank you for sharing your love and time with us.

Sincerely - Kayla Moe & Brenda Krieger.

Chamber Chatter is a publication of the  
Springfield Chamber of Commerce.  
It is published monthly to keep members  
and friends informed on events, activities,  
and programs in and around the community.

**Mission Statement** – The mission of the Springfield Area Chamber of Commerce/CVB is to strengthen the business community and take a leadership role in promoting economic growth in a spirit of cooperation and team work.

**Vision Statement** – Promote economic growth through the recruitment and retention of quality businesses and industries that will contribute to the overall economic health of the community. Provide the membership networking opportunities, referrals, internet promotion and other membership services to promote and enhance their business. Develop and nurture relationships with local government and other community sectors to help facilitate the needs and interests of the business community and enhance the overall quality of life within the community.
